COMPLAINT FOR INJUNCTIVE AND OTHER
RELIEF

Type of Case: (42) Other Complaint

The City and County of San Francisco ("the City"), a municipal corporation, and the People of
the State of California ("People"), by and through Dennis J. Herrera, City Attorney for the City and
County of San Francisco, (collectively "Plaintiffs") for their complaint against Thomas W. Liggons,

1 William B. Liggons, Gregory L. Liggons, James H. Liggons, and Rose Marie Warren ("Owners"), and
2 Doe One through Doe Fifty (collectively "Defendants"), hereby allege as set forth below:

3 INTRODUCTION

4 1. This action arises out of Defendants' ownership, maintenance, operation and
5 management of the residential property located at 709-711 Lyon Street, San Francisco, California
6 ("the Property") in violation of state and local health and safety laws and as a public nuisance that
7 substantially endangers the health, welfare and safety of the neighbors, the residents of the City and
8 County of San Francisco, and the People of the State of California. Specifically, Defendants have
9 jeopardized the welfare of residents and citizens by their longstanding failure and refusal to maintain
10 their residential building, and by ignoring its severely deteriorated overall condition which includes:
11 deteriorated rear and front stairs, a partial roof, rotted structural members, lack of weatherproofing,
12 unsecured and falling boards, combustible materials accumulating in the yard, and other conditions
13 substantially endangering the health and safety of tenants and the public in general, and a persistent
14 lack of security resulting in trespassers entering onto the property.

15 2. Defendants have failed, and continue to fail, to comply with Notices of Violation issued
16 by the Department of Building Inspection ("DBI" or "Building Inspection") on September 15, 2005
17 and December 18, 2007, which resulted in Orders of Abatement issued by DBI on October 6, 2006,
18 and February 12, 2008, respectively. The Notices of Violation and Orders of Abatement specified the
19 code violations and identified and set deadlines for what Defendants were required to do to abate the
20 violations.

21 PARTIES AND SUBJECT PROPERTY

22 3. Plaintiff City and County of San Francisco is a municipal corporation, organized and
23 existing under and by virtue of the laws of the State of California.

25 Francisco Housing and Building Codes, and California Health and Safety Code Sections 17920
26 through 17992, also known as the State Housing Law.

5. Plaintiff PEOPLE OF THE STATE OF CALIFORNIA, by and through DENNIS J. HERRERA, City Attorney for the City and County of San Francisco, brings this action pursuant to Civil Code Sections 3479, 3480, 3491, 3494, and Code of Civil Procedure Section 731.

6. 8. Defendants DOE ONE through DOE FIFTY are sued herein under fictitious names. Plaintiffs do not at this time know the true names and capacities of these defendants, but pray that the same may be inserted when ascertained.

9. At all times herein mentioned, each Defendant was an agent, servant, employee, partner, franchisee, and joint venturer of the other defendant, and at all times was acting within the course and scope of this agency, service, employment, partnership, franchise, and joint venture.

10. Actions taken or omissions made by Defendants' employees, agents, or representatives in the course of their employment, agency, or representation shall be considered actions or omissions of Defendants for purposes of this Complaint.

11. Whenever reference is made in this Complaint to any act or omission of "Defendant(s)," such allegation shall mean that Defendant(s) did or authorized the act or omission, or recklessly and carelessly failed and omitted to supervise, control, or direct other persons who engaged in the act or omission.

13. Plaintiffs are informed and believe that Defendants have owned and managed the Property since 1994.

1 14. At all times herein referenced, Defendants' addresses of record, as listed at the San
2 Francisco Assessor's Office, has been 709 Lyon Street, San Francisco, CA.

3 **NOTICE OF VIOLATION 200563286**

4 15. On September 15, 2005, Building Inspection inspected the exterior of the Property after
5 receiving a complaint that the building was hazardous. On that same day, Building Inspection issued a
6 Notice Of Violation numbered 200563286 ("NOV 200563286") to Defendants, describing the general
7 state of disrepair, dilapidated rear stairs, collapsed rear door covered by a tarpaulin, rotted and decayed
8 structural members, leaning supporting walls, a lack of weatherproofing, and combustible materials in
9 the rear yard constituting a fire hazard. The NOV 200563286 identified the violations and required
10 Defendants to apply for a building permit within 30 days and complete all repair work within 90 days.
11 Building Inspection mailed a copy of the NOV 200563286 to Defendants at their then address of
12 record: 709 Lyon Street, San Francisco, CA, 94102.

13 16. Defendants failed to comply with the NOV 200563286 dated September 15, 2005. On
14 July 21, 2006, Building Inspection issued a second notice related to NOV 200563286, informing
15 Defendants that they had failed to comply despite numerous extensions of time, and thus Building
16 Inspection had initiated abatement proceedings. The July 21, 2006 notice also informed Defendants
17 that they would be notified of the time, date, and place of a Director's Hearing. A true and correct
18 copy of the September 15, 2005 and July 21, 2006 notices related to NOV 200563286 are attached
19 hereto as Exhibit B and C and incorporated herein.

20 17. On September 6, 2006, Defendants applied for a building permit, numbered
21 200609061500, to perform a number of repairs, including but not limited to repairing rotted and
22 decayed structure members, weatherproofing the building, repairing interior and exterior of the
23 building including a joist in the crawl space and an interior wall, and removing combustible materials
24 from the rear and side yards.

25 18. On or about October 5, 2006, Building Inspection held a Director's Hearing on NOV
26 200563286. The owners were represented at the hearing. On October 6, 2006, an Order of Abatement
27 was issued by the Director of the Department of Building Inspection, numbered 101988-A ("2006
28 OOA"). The 2006 OOA declared the Property a public nuisance and ordered the owner to complete

1 all structural repairs under pending permit application 200609061500 within 30 days. A true and
2 correct copy of the 2006 OOA is attached hereto as Exhibit D and incorporated as part of this
3 Complaint.

4 19. The 2006 OOA was duly recorded with the office of the Assessor-Recorder.

5 20. Defendants did not comply with the 2006 OOA. Defendants' permit application
6 200609061500, which was approved and issued on September 6, 2006, expired on October 29, 2007
7 without any repair work being performed. Another permit application, numbered 200803036078,
8 which Defendants applied for to renew permit 200609061500 and which was approved on March 3,
9 2008, expired as well on March 25, 2011. No repair work has been performed on the Property.

10 **NOTICE OF VIOLATION 200733218**

11 21. On or about December 3, 2007, Building Inspection inspected the exterior of the
12 Property again after receiving a separate complaint that the building was abandoned and falling apart,
13 its back steps were rotted, it had no roof, and it was an eyesore. On or about December 18, 2007,
14 Building Inspection issued a Notice Of Violation numbered 200733218 ("NOV 200733218") to
15 Defendants, noting those violations. It also noted that the previous NOV 200563286 had been issued
16 on the same complaints, that an Order of Abatement had been issued on NOV 200563286, that permit
17 #200609061500 had been issued to comply with the Order of Abatement, and that the permit had
18 expired. NOV 20073218 required Defendant to apply for a building permit within 14 days and
19 complete all repair work within 45 days. Building Inspection mailed a copy of the NOV 200733218 to
20 Defendants at their then address of record: 709 Lyon Street, San Francisco, CA, 94102.

21 22. Defendants failed to comply with the NOV 200733218 dated December 18, 2007. On
22 January 11, 2008, Building Inspection issued a second notice related to NOV 200733218, informing
23 Defendants that they had failed to comply, and thus Building Inspection had initiated abatement
24 proceedings. The January 11, 2008 notice also informed Defendants that they would be notified of the
25 time, date, and place of a Director's Hearing. A true and correct copy of the December 18, 2007 and
26 January 11, 2008 notices related to NOV 200733218 are attached hereto as Exhibit E and F and
27 incorporated herein.
28

1 23. On or about February 7, 2008, Building Inspection held a Director's Hearing on NOV
2 200733218. The owners were represented at the hearing. On or about February 12, 2008, an Order of
3 Abatement was issued by the Director of the Department of Building Inspection pertaining to NOV
4 200733218 ("2008 OOA"). The 2008 OOA, which was numbered 102678-A, declared the Property a
5 public nuisance and ordered the owner to obtain a permit to repair the front stairs within 30 days. A
6 true and correct copy of the 2008 OOA is attached hereto as Exhibit G and incorporated as part of this
7 Complaint.

8 24. The 2008 OOA was duly recorded with the office of the Assessor-Recorder.

9 25. Defendants did not comply with the 2008 OOA. On September 18, 2008, Defendants
10 applied for a building permit, numbered 200809182030, to perform a number of repairs, including but
11 not limited to replacing the front and back wood stairs in-kind and replacing the entire building
12 foundation. The permit application referenced both NOV 200563286 and NOV 200733218, described
13 above. However, as of the date of the filing of this Complaint, no repair work has been performed on
14 the Property.

15 26. Defendants have ignored Building Inspection's duly issued administrative Notices and
16 Orders, have failed and refused to abate the cited code violations, and have maintained, and continue
17 to maintain, the Property as a public nuisance and in substandard condition in violation of the San
18 Francisco Housing and Building Codes, the California Health and Safety Code, and the California
19 Civil Code.

20 27. At the time of trial, Plaintiffs will move the Court to amend this Complaint to include
21 any conditions discovered after the filing of this Complaint.

22 COMMUNICATIONS WITH CITY ATTORNEY

23 28. In late March 2011, a loose wooden board, with protruding nails fell onto the property
24 located at 713 Lyon Street, an inhabited property next to 709-711 Lyon. The board had been on the
25 roof of the Property, and had served to fasten a tarp to the rotted roof. The board missed a glass
26 window at 713 Lyon Street by inches. After immediate contact from the City Attorney's Office
27 regarding the conditions found and documented by Building Inspection and the imminent danger to
28

the health and safety of residents of the neighborhood, Defendant GREGORY LIGGONS communicated with the City Attorney's Office and indicated Defendants' intention to make repairs.

29. Despite Defendants' stated intention, as of the date of filing this Complaint Defendants have failed and refused to abate the cited code violations, and have maintained, and continue to maintain, the Property as a public nuisance and in substandard condition in violation of the San Francisco Housing and Building Codes, the California Health and Safety Code, and the California Civil Code. The violations are still outstanding, and Defendants have abated none of the conditions described herein.
